Aleksandr Mezhenny

Graphic & Web Designer

Tallinn, Estonia
+372 5822 6814
aleks.mezenn@gmail.com

Graphic and web designer from Tallinn with an IT background and more than 5 years of practice. I create visual identities, packaging, websites and graphics for print and social media — for galleries, service companies, events and private brands. I run projects end to end: from the brief and first sketches to print-ready artwork and a launched website. I work in Russian, Estonian and English.

EXPERIENCE

09.2026 — present

Freelance Designer

Freelance · Remote

2026
8 mo.

Conscript service

Estonian Defence Forces · Võru, Tartu

Alongside my service, I kept working with clients as a freelance designer.
